

Tom Paem

I am cool and competitive
I wonder if  will come back
I hear  talking
I see floating basketballs
I want Tyler Hero's signature

I pretend im Curry

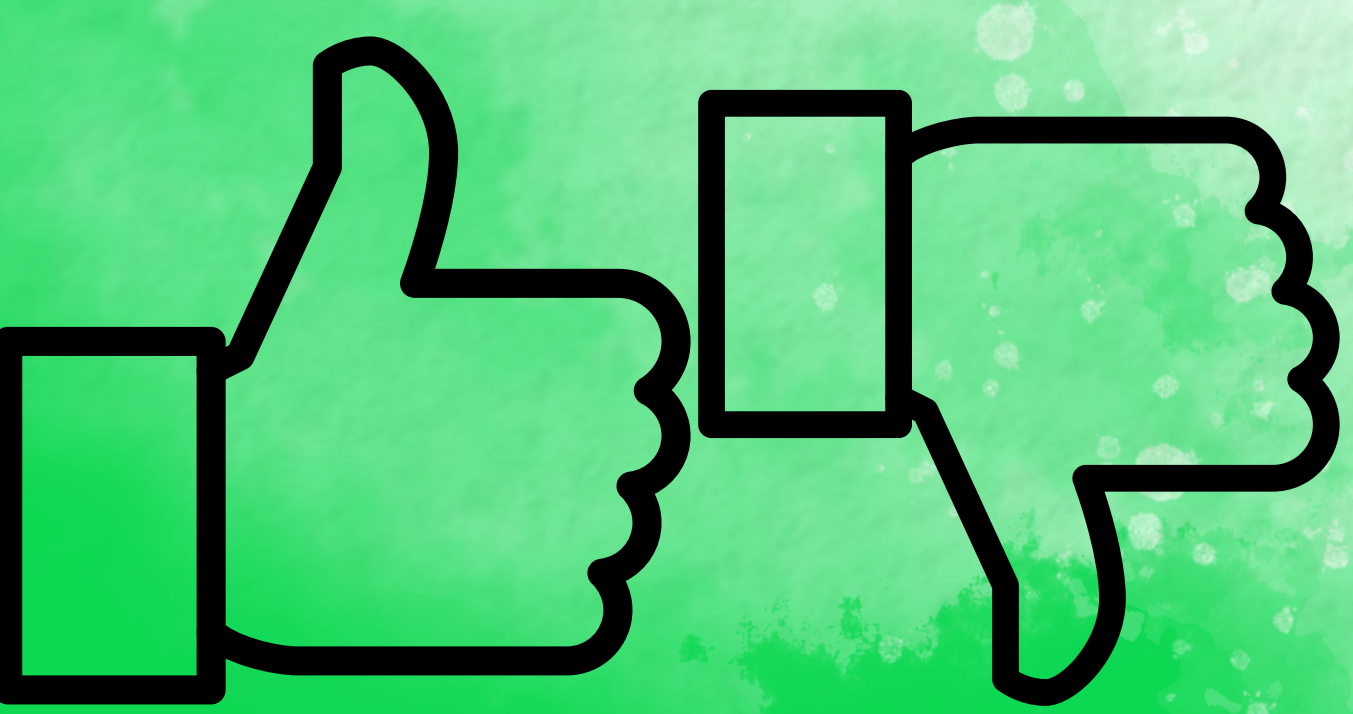

I feel 

I touch clouds

I worry that I won't make it to the NBA

I cry when relatives die

I am cool and competitive

I understand that you can win or lose

I'm proud to say I believe Māori myths **MaORI**

I dream about being in the NBA

I try new things in bball

I hope to get a new Kobe Bryant singlet for Xmas
